## Conflict of Interest Disclosure

Public Advisory Committee members are chosen to represent a broad range of interests. It is possible that action could be taken by the Public Advisory Committee when one or more of the members have a direct personal conflict of interest which would prejudice and call into question the entire public process. To avoid this and to enable the Trustee Council to choose appropriate individuals as members, it is necessary that each nominee provide the following information with their information packet. If the answer to any of these questions is yes, please provide a brief explanation of your answer. A “yes” answer will not necessarily preclude any nominee from being appointed to serve on the Public Advisory Committee.

- Do you, your spouse, children, any relative with whom you live or your employer have, or are you defending, a claim filed before any court or administrative tribunal based upon damages caused by the T/V *Exxon Valdez* oil spill?
